LIBERTY & JUSTICE FOR ALL?
The Constitution claims to establish justice. Our courts proclaim equal justice under law. We've all heard the phrase, “You have the right to an attorney,” but did you know that's only true if you're the one accused of a crime? If you're the victim of a crime such as fraud, abuse, exploitation or trafficking, or are trapped in our civil or government justice systems, you have no such right.

DOES GOD CARE ABOUT JUSTICE?
In the Miller Barrows are more than 2,000 VERSES that address justice and the poor.

ISAIAH 5:8
"The poor are hungry and thirsty; their yearning shall not be satisfied; their soul shall desireorns; there is nothing to give them.

ISAIAH 60:17
The Lord of Hosts is with you; the Sovereign, holy one of Israel, is your glory.

PSALM 101:1
The Law of the Lord is perfect, refreshing the soul.

PSALM 109:16
I will sing of your love and of your salvation; I will sing in the assembly of saints of the mighty deeds of the Lord.

MICAH 6:8
He has shown you, O man, what is good; and what does the Lord require of you but to do justice, love mercy, and walk humbly with your God?

AMOS 5:24
Henceforth, the speed of heret will cease, and her pride will be humbled because of her crimes; she will cast away her EE, which are primeval.

I will not be satisfied with silver, nor will I delight in gold.

THE POOR ARE SHUNNED,
though they are but the poor of the earth and are poor among their fellow men.

IN JUSTICE?
Don't read this book if you are not willing to ask yourself what Jesus would have you do to further His kingdom.

"Don't you think this is stupid?" or "Don't you think this is unfair?" even "Don't you think this is wrong?"

"This is the New Testament, this is the Bible, and this is Christianity!" We'll hear these words from Christians or non-believers alike. And the question is asked, "Why do you make me look at this?""We don't want to look at this!"

We are all seeking: 
"What is God's will?"
"What is God's plan?"
"What is God's reason for this situation?" When we look at the account of the Good Samaritan, or the trial of Jesus, those questions are raised.

"Don't you think that's a terrible situation?" The response is always the same.

"Our Lord's will is always right!" This is a battle for Gospel Justice.

IF WE ARE TO FOLLOW JESUS, WE MUST ADMINISTER TRUE JUSTICE.

AND THE CHURCH SHOULD LEAD THE WAY.

WE ARE A GOSPEL CHURCH, SUFFERING IS INevitable. The world has not yet come to Jesus, except for the grace it has received. The world has not yet come to Jesus, except for the grace it has received.
